**To Whomsoever It May Concern**

This is to confirm that **Yash Thakur** has done a summer internship with us in our **Gurugram** office from **18 January 2021 to 18 April 2021**.

He was part of Functional and technical assessment of digital (AI ML) solutions and successfully assisted in the following:

- Conducted a research on digital solutions offered by new age solution providers (including startups) in Renewable energy space with a focus on AI and ML based techniques.
- identifying various startups in the value chain.
- Analyzing various research and other literature to outline the potential data points used by the companies as well as the AI and ML techniques
- Helped us evolve in tech trends in the sector

During the tenure of the internship, Yash diligently supported the above-mentioned project and adhered to the timelines. He displayed loyalty, flexibility, and diligence.

We wish him all the best in his future endeavors.

Yours sincerely
